This "Bawl Club" is mighty neat;  
It can't be said, "They've not been beat"  
By whom and why is our concern;  
You must admit that they can learn.

## SENIOR CLASS WILL

We, the Senior Class of Dover High, Dover Township, Shawnee County, State of Kansas, United States of America, Planet of Earth, being of sound mind, do declare this to be our last will and testament.

### ITEM 1

1. To the faculty, we bequeath our sincerest thanks for their patience in teaching us during our school years.
2. To Mr. Price, our custodian, we leave the school campus and our initials that are scratched in every nook, crook, and corner. Most of all we leave our many thanks for the help, time, and consideration which he has given us.

### ITEM 2

1. To the Junior Class we leave our bold climb-to-the-top and the honorable title of "Seniors".
2. To the Sophomore Class, we leave our ability of not only "doing" but always being "heard" in affairs of Dover High.
3. To the Freshman Class, we leave all the homework and tests which we did not finish. (If there be any.)

### ITEM 3

1. I, Larry Sheets, leave my seat on Zelda Ginter's doorstep to Galen Campbell.
2. I, Marilyn Blair, will my freckles to Margaret Ann Todd--another Doris Day.
3. I, Dennis Ensley, will my careful driving to my dear brother, Johnny. If that doesn't slow you down, nothing will.
4. I, Doris L Martin, leave my determination to anyone who has as much desire for a diploma as I did.
5. I, Ronnie Schutter, leave my quiet ways to Jerry Patterson.
6. I, Janet Eddy, will my ability to "goof" in study hall to Zelda Ginter.
7. I, Benjamin Falley, will my undivided attention in class to Dick Bassett and my soft mellow voice to Elwyn Long.
8. I, Janice Bassett, will Johnny Ensley to Sue Carlat. Take good care of him.
9. I, Marshall Jones, will my ability to ask dumb questions in Mrs. Briggs' history class to anyone dumber than I.
10. I, Judy Lane, wish to step out of the giggling competition and leave it all to Ramona Long, and hope she does as well with it as I did.
11. I, Dean Schutter, just plain will, I'm thankful I got out.
12. I, Karen Eakins, wish I had something to leave, but circumstances as they are, I need all I've got and more too.

Signed: Karen Lou Eakins

## SENIOR PROPHETY

It has been twenty-five years from our High School graduation. I have just returned from our class reunion at Dover. I live in Saudi Arabia, just like my father did, the only difference is that I have followed the Arabian tradition of having five wives. After talking to the rest of my classmates I have found out what they have done with their lives in the last twenty-five years.

The one who surprised me the most was the former Marilyn Blair, who swore she would be an old maid. After she graduated she returned to the Ozarks, our old sneak grounds, and married up with bashful Bob Buckinnikle. They are very happy now raising hogs and children on their Ozark farm.

It was nice seeing Dennis Ensley who is now the publisher, writer, and actor of Huckle Barry Hound.

Janet Eddy has made quite a name for herself in the field of nursing. She discovered a very useful and important vaccine for love-bug sickness.

Larry Sheets runs a very large model agency in Florida, and instead of his models leading French Poodles, they lead SKUNKS.

I was glad that my former friend and classmate, Karen Eakins, could make it back from Germany for this reunion. Karen and her husband have made their name famous by the manufacture of their German Pizza Pie.

I was very proud to learn that Ben Falley had his second golden record out. The title being OH RAMONA.

I was not surprised when I heard that Dean Schutter was the first man to put duel pipes on his space rocket. He discovered Venus and now they are very happily married.

Doris Martin, after receiving her diploma, decided to take life easy and take a trip around the world.

I was overcome when I heard that Judy Lane, the giggler of Old Dover High, was now the world's first lady deep sea diver. She holds the title of Miss Mermaid.

One thing I don't think I'll ever get over is the surprise I got when I heard about Janice Bassett. It seems after attending college for four years and later getting her Ph.D. degree she married her old high school sweetheart and is busy taking care of their six baby boys.

After graduation, Ronnie Schutter took his coyote dogs to Alaska. There he married an Eskimo, and they are very happy in their igloo ranch house.

Our former Sponsor, Mr. Martin, built an amusement park so that he could entertain all of his 19 grandchildren.

Signed - Marshall Jones
